CHELSEA'S ROLL OF HONOR.

MAYOR'S OFFICE, *March 16, 1863.*

The following roll of the citizens of Chelsea, who have enlisted in the army and navy during the present war, has been prepared from the best information that could be obtained.

It will be interesting to the citizens at the present time, and may be of great value in the future.

The record will be revised from time to time, and soldiers and citizens who discover any errors or omissions, or who are apprised of enlistments, promotions, discharges, or casualties, will confer a favor by *reporting them in writing at the City Hall.*

Where the date of mustering is not given, it is presumed to be the same as the regimental muster, or prior to the date of marching.

The rolls of Cos. H, 1st, C, 35th, G, 40th, H, 43d, and H, 50th, are given entire, although some of the members are non-residents, indicated by the letters N. R.
